

THE INVERNESS ASSOCIATION, INC.

ARCHITECTURAL CONTROL ORDINANCE

APPENDIX

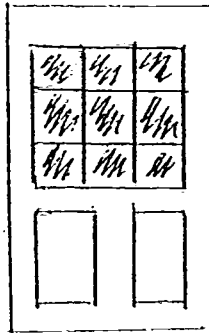

1. Approved door styles
2. Approved storm door styles
3. Approved security doors and windows

DOORS

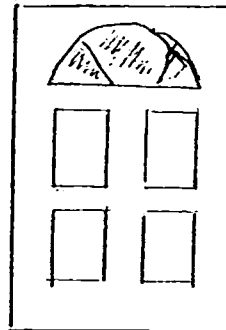

Regulations:

Replacement of front doors shall be a Colonial or Williamsburg style or exact replacement of the original door. This would include:

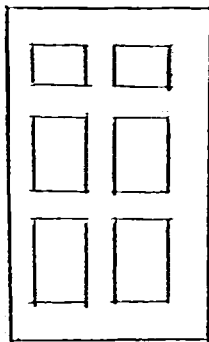

9-lite

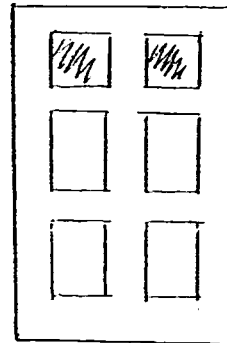

Fan lite

6 panel

4 panel with 2 top glass lites

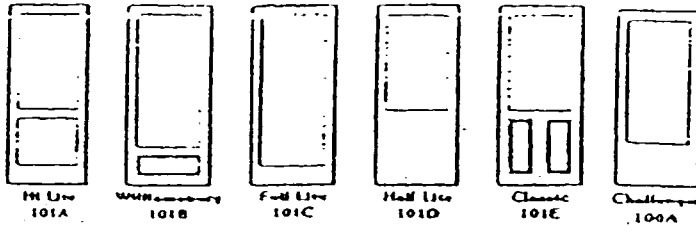

Paint color shall be of a coordinating or matching color to the exterior trim or shutters. Other style or color doors, for example, Victorian, Mission, opaque, etched or stained glass are not approved.

French Doors may be replaced with sliders only if they give the appearance of a French door.

APPROVED STORM DOORS

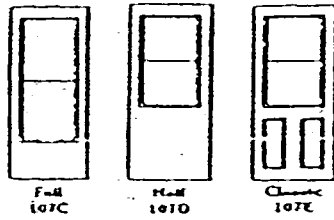

1. Standard Series:

2. Standard Series with Colonial Grill:

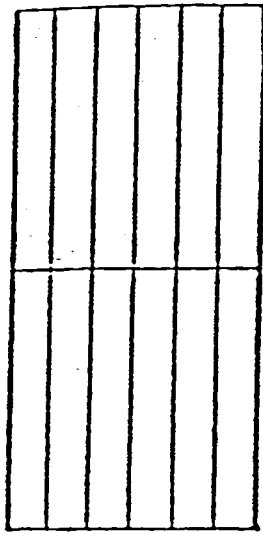

3. Self-Storing Series:

The following is the only approved security door and window at Inverness:

Door

Window
